Letter dated 1 June 2000 from the Permanent Representative of South Africa to the United Nations addressed to the President of the Security Council

In my capacity as Chair of the Coordinating Bureau of the Movement of Non-Aligned Countries, I have the honour to refer to the letter dated 1 June 2000 (S/2000/513) from Mustafa Osman Ismail, Minister of External Relations of the Sudan, to you, informing you of the Sudan's full compliance with Security Council resolutions 1044 (1996), 1054 (1996) and 1070 (1996), and requesting that you convene a special meeting of the Council to consider lifting the sanctions.

I have the further honour to refer to a decision of the Coordinating Bureau of the Movement of Non-Aligned Countries, taken in New York on 1 June 2000. After due consideration of the constructive actions of the Government of the Sudan in implementing all of its responsibilities in accordance with the relevant resolutions, the Movement of Non-Aligned Countries agree to endorse, without reservation, the request of the Government of the Sudan to have the sanctions lifted.

Pursuant to the above, the Movement of Non-Aligned Countries has the honour to request that the Security Council urgently consider the adoption of a resolution lifting the sanctions imposed on the Sudan.

I should be grateful if you would have the present letter circulated as a document of the Security Council.
